No. 1

WASHINGTON

1922

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; Class "F," Maps, arranged alphabetically by the subject word of each title; Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "© " implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the law of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

The annual index contains the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors and titles of dramatic compositions, the titles of all motion pictures, and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1922, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

NEW SERIES, VOLUME 19

No. 2

WASHINGTON

GOVERNMENT PRINTING OFFICE

LIBRARY BRANCH

1922

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; Class "F," Maps, arranged alphabetically by the subject word of each title; Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the law of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

The annual index contains the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors and titles of dramatic compositions, the titles of all motion pictures, and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1922, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

NOTICE.

The Copyright Act of 1909 provides that of the articles deposited for copyright registration the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, in so far as any copyright articles deposited from July 1, 1914, to June 30, 1919, inclusive, are still remaining in the files of the Copyright Office and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1922.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscript or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*

NEW SERIES, VOLUME 19

No. 3

WASHINGTON
GOVERNMENT PRINTING OFFICE
LIBRARY BRANCH
1922

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; Class "F," Maps, arranged alphabetically by the subject word of each title; Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the act of March 4, 1909, as amended by the act of December 18, 1919, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

The annual index contains the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors and titles of dramatic compositions, the titles of all motion pictures, and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1922, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

NOTICE.

The Copyright Act of 1909 provides that of the articles deposited for copyright registration the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, in so far as any copyright articles deposited from July 1, 1914, to June 30, 1919, inclusive, are still remaining in the files of the Copyright Office and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1922.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscript or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*

NEW SERIES, VOLUME 19

No. 4

WASHINGTON

GOVERNMENT PRINTING OFFICE

LIBRARY BRANCH

1922

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; Class "F," Maps, arranged alphabetically by the subject word of each title; Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "© " implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the act of March 4, 1909, as amended by the act of December 18, 1919, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

The annual index contains the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors and titles of dramatic compositions, the titles of all motion pictures, and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1922, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

NOTICE.

The Copyright Act of 1909 provides that of the articles deposited for copyright registration the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, in so far as any copyright articles deposited from July 1, 1914, to June 30, 1919, inclusive, are still remaining in the files of the Copyright Office and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1922.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscript or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*

NEW SERIES, VOLUME 19

No. 5

WASHINGTON
GOVERNMENT PRINTING OFFICE
1922

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entires are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in four separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; Class "F," Maps, arranged alphabetically by the subject word of each title; Class "L," Motion-picture photoplays; and Class "M," Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the law of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

The annual index contains the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors and titles of dramatic compositions, the titles of all motion pictures, and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1921, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

NOTICE.

The Copyright Act of 1909 provides that of the articles deposited for copyright registration the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, in so far as any copyright articles deposited from July 1, 1914, to June 30, 1919, inclusive, are still remaining in the files of the Copyright Office and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1922.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscript or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas it is provided by the Act of Congress, approved March 4, 1909, entitled "An Act to Amend and Consolidate the Acts Respecting Copyright," that the copyright secured by the Act except the benefits under Section 1 (e) thereof, as to which special conditions are imposed, shall extend to the work of an author or proprietor who is a citizen or subject of a foreign state or nation, only upon certain conditions set forth in section 8 of said Act, to wit:

(a) When an alien author or proprietor shall be domiciled within the United States at the time of the first publication of his work; or

(b) When the foreign state or nation of which such author or proprietor is a citizen or subject grants, either by treaty, convention, agreement, or law, to citizens of the United States the benefit of copyright on substantially the same basis as to its own citizens, or copyright protection substantially equal to the protection secured to such foreign author under this Act or by treaty; or when such foreign state or nation is a party to an international agreement which provides for reciprocity in the granting of copyright, by the terms of which agreement the United States may, at its pleasure, become a party thereto;

And whereas it is further provided by the Act of Congress approved December 18, 1919, entitled "An Act to Amend Sections 8 and 21 of the Copyright Act, approved March 4, 1909," "that all works made the subject of copyright by the laws of the United States first produced or published abroad after August 1, 1914, and before the date of the President's proclamation of peace, of which the authors or proprietors are citizens or subjects of any foreign state or nation granting similar protection for works by citizens of the United States, the existence of which shall be determined by a copyright proclamation issued by the President of the United States, shall be entitled to the protection conferred by the copyright laws of the United States from and after the accomplishment, before the expiration of fifteen months after the date of the President's proclamation of peace, of the conditions and formalities prescribed with respect to such works by the copyright laws of the United States: Provided further, That nothing herein contained shall be construed to deprive any person of any right which he may have acquired by the republication of such foreign work in the United States prior to the approval of this Act;"

And whereas the President is authorized to determine and declare by proclamation made from time to time the existence of the reciprocal conditions aforesaid, as the purposes of the Act may require;

And whereas the President by proclamation dated April 9, 1910, did declare and proclaim that one of the alternative conditions specified in Section 8 of the Act of March 4, 1909, was then and from July 1, 1909, had been fulfilled in respect to the subjects of Austria, and that the subjects of Austria were and since July 1, 1909, had been entitled to all the benefits of the said Act other than the benefits of Section 1 (*e*) thereof;

And whereas satisfactory official assurance has been given by the Government of Austria that by the laws of Austria protection is granted for works by citizens of the United States similar to the protection provided by the Act, approved December 18, 1919.

Now therefore, I, WARREN G. HARDING, President of the United States of America, do hereby declare and proclaim—

(1) That the conditions specified in the Act of December 18, 1919, now exist and are fulfilled in respect to the citizens of Austria, and that Austrian citizens are entitled to all the benefits of the said Copyright Act, approved December 18, 1919, subject to the exception specified in the aforesaid proclamation of April 9, 1910;

Provided that the enjoyment by any work to which the provisions of this proclamation relate of the rights and benefits conferred by the Copyright Act approved December 18, 1919, shall be conditional upon compliance with the requirements and formalities prescribed with respect to such works by the copyright laws of the United States, and shall commence from and after compliance with those requirements, constituting due registration for copyright in the United States.

2. Nothing in this proclamation shall be construed to abrogate or limit any rights and benefits conferred under the reciprocal arrangements with Austria providing for copyright protection heretofore proclaimed.

In witness whereof, I have hereunto set my hand and caused the Seal of the United States to be affixed.

And whereas the President by proclamation dated December 8, 1910, did declare and proclaim that satisfactory official assurance having been received that in Germany the law permitted to citizens of the United States rights similar to those accorded in Section 1 (e) of the Act of March 4, 1909, the subjects of the German Empire were entitled to all the benefits of Section 1 (e) of the said Act of March 4, 1909;

And whereas satisfactory official assurances have been received from the Government of Germany that by the laws of Germany protection is granted for works by citizens of the United States similar to the protection provided by the Act, approved December 18, 1919;

And whereas satisfactory official assurances have been received from the Government of Italy that by the laws of Italy protection is granted for works by citizens of the United States similar to the protection provided by the Act, approved December 18, 1919;

Now therefore, I, WARREN G. HARDING, President of the United States of America, do hereby declare and proclaim—

1. That the conditions specified in the Act of December 18, 1919, now exist and are fulfilled in respect to the subjects of Italy and that Italian subjects are entitled to all the benefits of the said Copyright Act, approved December 18, 1919.

Provided that the enjoyment by any work to which the provisions of this proclamation relate of the rights and benefits conferred by the Copyright Act, approved December 18, 1919, shall be conditional upon compliance with the requirements and formalities prescribed with respect to such works by the copyright laws of the United States, and shall commence from and after compliance with those requirements, constituting due registration for copyright in the United States.

2. Nothing in this proclamation shall be construed to abrogate or limit any rights and benefits conferred under the reciprocal arrangements with Italy providing for copyright protection heretofore proclaimed.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas it is provided by the Act of Congress, approved March 4, 1909, entitled "An Act to Amend and Consolidate the Acts Respecting Copyright," that the copyright secured by the Act except the benefits under Section 1 (*e*) thereof, as to which special conditions are imposed, shall extend to the work of an author or proprietor who is a citizen or subject of a foreign state or nation, only upon certain conditions set forth in Section 8 of said Act, to wit:

(*a*) When an alien author or proprietor shall be domiciled within the United States at the time of the first publication of his work; or

(*b*) When the foreign state or nation of which such author or proprietor is a citizen or subject grants, either by treaty, convention, agreement, or law, to citizens of the United States the benefit of copyright on substantially the same basis as to its own citizens, or copyright protection substantially equal to the protection secured to such foreign author under this Act or by treaty; or when such foreign state or nation is a party to an international agreement which provides for reciprocity in the granting of copyright, by the terms of which agreement the United States may, at its pleasure, become a party thereto:

And whereas it is further provided by the Act of Congress approved December 18, 1919, entitled "An Act to Amend Sections 8 and 21 of the Copyright Act, approved March 4, 1909," "that all works made the subject of copyright by the laws of the United States first produced or published abroad after August 1, 1914, and before the date of the President's proclamation of peace, of which the authors or proprietors are citizens or subjects of any foreign state or nation granting similar protection for works by citizens of the United States, the existence of which shall be determined by a copyright proclamation

issued by the President of the United States, shall be entitled to the protection conferred by the copyright laws of the United States from and after the accomplishment, before the expiration of fifteen months after the date of the President's proclamation of peace, of the conditions and formalities prescribed with respect to such works by the copyright laws of the United States: Provided further, That nothing herein contained shall be construed to deprive any person of any right which he may have acquired by the republication of such foreign work in the United States prior to the approval of this Act."

And whereas the President is authorized to determine and declare by proclamation made from time to time the existence of the reciprocal conditions aforesaid, as the purposes of the Act may require;

And whereas the President by proclamation dated April 9, 1910, did declare and proclaim that one of the alternative conditions specified in Section 8 of the Act of March 4, 1909, was then and from July 1, 1909, had been fulfilled in respect to the subjects of Great Britain and her possessions, and that the subjects of Great Britain and her possessions were and since July 1, 1909, had been entitled to all the benefits of the said Act other than the benefits of Section 1 (*e*) thereof;

And whereas the President by proclamation dated February 9, 1917, did declare and proclaim that one of the alternative conditions specified in Sections 1 (*e*) and 8 (*b*) of the Act of March 4, 1909, then existed and was fulfilled in respect to citizens of New Zealand, and that citizens of New Zealand were entitled to all the benefits of Section 1 (*e*) of the said Act;

And whereas satisfactory official assurances have been received from the Government of Great Britain that the Government of New Zealand issued an Order in Council, dated January 10, 1921, by which protection is granted for works by citizens of the United States similar to the protection provided by the Act, approved December 18, 1919.

Now therefore, I, Warren G. Harding, President of the United States of America, do hereby declare and proclaim—

1. That the conditions specified in the Act of December 18, 1919, now exist and are fulfilled in respect to the citizens of New Zealand, and that citizens of New Zealand are entitled to all the benefits of the said Copyright Act, approved December 18, 1919.

Provided that the enjoyment by any work to which the provisions of this proclamation relate of the rights and benefits conferred by the Copyright Act approved December 18, 1919, shall be conditional upon compliance with the requirements and formalities prescribed with respect to such works by the copyright laws of

the United States, and shall commence from and after compliance with those requirements, constituting due registration for copyright in the United States.

2. Nothing in this proclamation shall be construed to abrogate or limit any rights and benefits conferred under the reciprocal arrangements with Great Britain providing for copyright protection heretofore proclaimed.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this 25th day of May, in the year of our Lord one thousand nine hundred and twenty-

[NEW ZEALAND—COPYRIGHT ORDER IN COUNCIL.]

Jellicoe, Governor-General.—Order in Council.—At the Government Buildings at Wellington, this 10th day of January, 1921.—Present: The Right Honourable W. F. Massey, P. C., presiding in Council.

Whereas by reason of conditions arising out of the war difficulties have been experienced by citizens of the United States of America in complying with the requirements of the Copyright Act, 1913, as to the first publication within New Zealand of their works first published in the United States of America during the war:

And whereas the Governor-General is advised that the Government of the United States of America has undertaken upon issue of this Order to extend the protection afforded by the United States Law of the eighteenth day of December, one thousand nine hundred and nineteen, entitled "An Act to amend Sections eight and twenty-one of the Copyright Act, approved March 4, 1909," to British subjects in New Zealand:

And whereas by reason of the said undertaking of the Government of the United States of America the Governor-General is satisfied that the said Government has made, or has undertaken to make, such provision as it is expedient to require for the protection of works first made or published in New Zealand, between the first

day of August, one thousand nine hundred and fourteen, and the termination of the war and entitled to copyright under Part I of the Copyright Act, 1913:

And whereas by the Copyright Act, 1913, authority is conferred upon the Governor-General to extend by Order in Council the protection of the said Act to certain classes of foreign works within New Zealand:

And whereas by reason of these promises it is desirable to provide protection within New Zealand for literary or artistic works first published in the United States of America between the first day of August, one thousand nine hundred and fourteen, and the termination of the war which have failed to accomplish the formalities prescribed by the Copyright Act, 1913, by reason of conditions arising out of the war:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the power and authority conferred upon him by the Copyright Act, 1913, doth hereby direct as follows:

1. The Copyright Act, 1913, shall, subject to the provisions of the said Act and this Order, apply to works first published in the United States of America between the first day of August, one thousand nine hundred and fourteen, and the termination of the war, which have not been republished in New Zealand prior to the commencement of this Order in like manner as if they had been first published in New Zealand: provided that the enjoyment by any work of the rights conferred by the Copyright Act, 1913, shall be conditional upon publication of the work in New Zealand not later than six months after the commencement of this Order, and shall commence from and after such publication, which shall not be colourable only, but shall be intended to satisfy the reasonable requirements of the public.

2. The provision of section fifty-two of the Copyright Act, 1913, as to the delivery of books to the General Assembly Library shall apply to works to which this Order relates upon their publication in New Zealand.

3. In the case of musical works to which this Order relates, and provided that no contrivances by means of which the work may be mechanically performed have before the commencement of this Order been lawfully made or placed on sale within New Zealand, copyright in the work shall include all rights conferred by the said Act with respect to the making of records, perforated rolls, and other contrivances by means of which the work may be mechanically performed.

4. Nothing in this Order shall be construed as depriving any work of any rights which have been lawfully acquired under the provisions of the Copyright Act, 1913, or any Order in Council thereunder.

5. This Order shall come into operation on the twentieth day of January, one thousand nine hundred and twenty-one, which date is in this Order referred to as the commencement of this Order.

F. D. THOMSON,
Clerk of the Executive Council.
